# ClickPay
A RealPage™ Company

Electronic Payments

Conveniently let residents make a payment anytime, anywhere, and remove the burden of handling payment from your staff. **ClickPay** collects ACH, credit & debit card payments through a custom-branded web portal and any mobile device.

ClickPay's payment network maintains the highest level of bank-grade & cyber security. Residents gain peace of mind while Property Managers gain visibility into every payment collected, regardless of systems & banks - on one centralized dashboard.

Leverage ClickPay's Powerful Platform

Integrated into accounting systems for accurate and simple ledger management, **ClickPay** provides a powerful platform to maximize productivity. **ClickPay's** flexible and comprehensive platform allows for business rule automation and one-time or recurring payments. Electronic payments can be submitted for any line item charge or the full balance due. Property Managers also benefit from **ClickPay's** industry-leading electronic payment adoption, translating to expedited cash flow & satisfied residents.

Why ClickPay?

ClickPay offers a full range of payment solutions that bridge the gap between paper & electronic payments.

▸▸ *Portal branded with Property Manager's logo allows residents to submit payments via desktop or mobile device.*

Driven by marketing specialists, benefit from ClickPay's industry-leading electronic payment adoption, translating to expedited cashflow and reduced hassle for staff.

Custom-Branded Portal
Custom-branded online & mobile landing page with options for residents to securely pay via ACH, credit & debit cards. Residents can pay for any line item charge or full balance due.

Accelerated Cash Flow
Receive cash quicker with **ClickPay's** proprietary capabilities that enable next day funding – even from payments originated from residents' online banking portals, which account for up to 15% of checks today.

Accounting System Integration
Real-time integrations with accounting systems ensure accurate ledgers and simple reconciliations.
